# From the Founder's Desk

Piyush Narang  
Founder, Unity MUN

Our Founder, Piyush Narang, a high school student, had a vision to bring back the true spirit of Model United Nations. He saw how many conferences became about certificates and prestige, leaving students feeling excluded or unprepared. UNITY MUN was his answer, to make MUNs accessible, affordable, and truly supportive. With beginner-friendly committees, expert training, and an inclusive approach, UNITY MUN today connects students from across the globe and helps them grow into confident leaders.

## Key Achievements

- Winner of 13+ Best Delegate Award at 13+ MUN for persuasive debating and leadership.
- Honourable Mention at Oxford MUN India (WHO Committee) .
- Multiple High Commendation Awards at prestigious MUNs.
- Merit Certificate from the ICSE Board for being in the Top 0.1% of students.
- Winner of “**Most Innovative Idea**” at the Young Founder Summit 2025.

# Welcome To Unity MUN

UNITY MUN is a two-day virtual Model United Nations conference. It is a platform where students step into the world of diplomacy, debate, and leadership with confidence. With expert pre-conference training and guidance from an experienced executive board, we ensure that both first-time delegates and seasoned MUNers feel prepared to participate meaningfully. Our diverse committees open doors to exploring pressing global issues while sharpening skills in public speaking, negotiation, teamwork, and cultural awareness.

## What You Lose If You Don't Take the Leap with UNITY MUN

- Missing the chance to overcome stage fear and become a confident speaker
- Falling behind peers who are gaining international exposure & recognition
- Missing the chance to build an international peer network
- A safe ecosystem to experiment, fail, learn, and grow

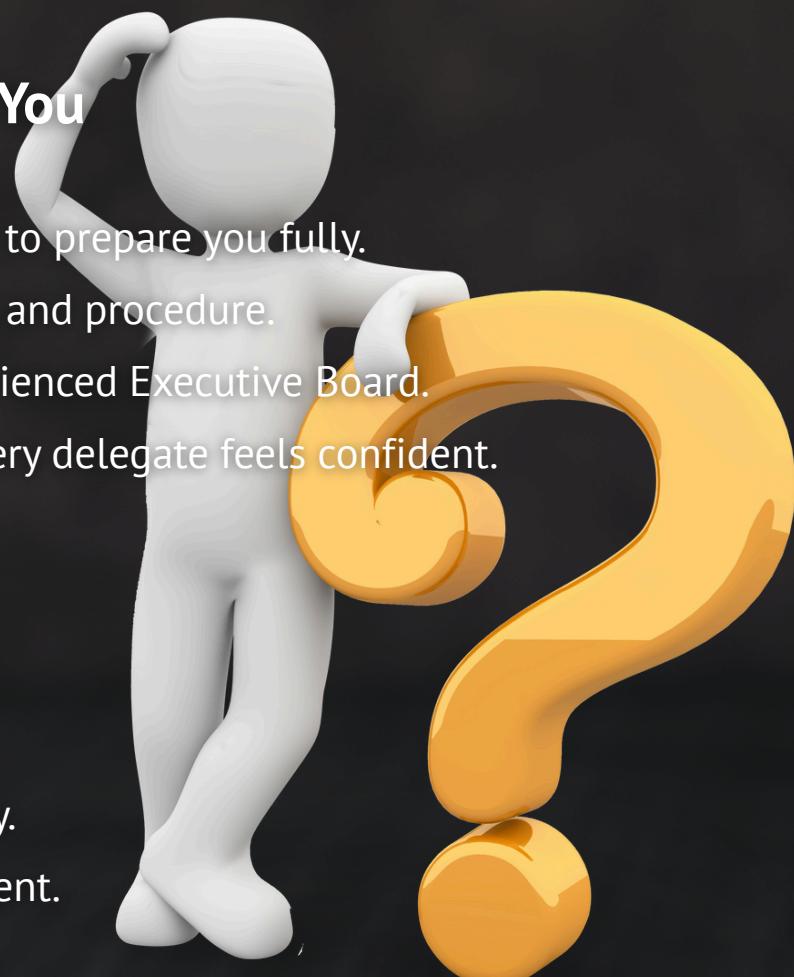

# Attending Your First MUN ?

## Common First-Time Delegate Challenges

- Feeling excited but also overwhelmed.
- Worrying if you are prepared enough.
- Nervous about speaking confidently in front of peers.
- Struggling to follow rules, procedures, and committee flow.
- Unsure how to begin research or frame ideas.
- Online delegates often feel hesitant about:
- Speaking up during debates.
- Keeping pace with discussions.
- Connecting with fellow participants.

## How UNITY MUN Supports You

- Pre-conference training sessions to prepare you fully.
- Step-by-step guides for research and procedure.
- Constant support from our experienced Executive Board.
- Inclusive environment where every delegate feels confident.
- Real practice in:
  - Public speaking
  - Negotiation
  - Diplomacy
- Collaboration with peers globally.
- Skills that last far beyond the event.
